### **President's Message**

I welcome you to Gatesville University. Here we strive to provide a quality education thanks to the state-of-the-art technology and a talented and experienced faculty. Gatesville University is one of the few accredited and recognized online institutions. Founded in late 90's, the University specializes in virtual learning, also known as online education. At Gatesville, we take pride in educating our students and in helping them build an international perspective. Our students connect with highly professionally trained foreign and native faculty members to develop internationally oriented attitude. Such openness to diversity provides richness to the learning of students at Gatesville University. We believe that the education we provide will prepare them to face the challenges of the modern world.

At Gatesville we not only provide education to inculcate progress in our student's career but also with the aim of increasing each person's awareness of human dignity. The promotion of human dignity, by necessity, produces a sense of social responsibility and a commitment to the needs of others. My team and I look forward to welcoming you to Gatesville, a university where you will not only refine your professional skills, but also become a better professional.

Regards,  
Derek Mathews
